GENERAL CLEANING

DO-IT-ALL may be used as a general all purpose cleaner. Use one part **DO-IT-ALL** with 10 parts water. Spray any surfaces as counter tops, furniture, paneling, walls, upholstery, appliances, light fixtures, etc. Wipe dry with clean cloth or towel.

GENERAL USAGES

TOUGH STAINS

For really tough stains on cements, asphalts, melts, etc., and stains in hard to reach areas, after an application of **DO-IT-ALL** all purpose cleaner (7-1) a wire brush is recommended to loosen the stain. Rinse down with clear water.

MAJOR STAINS

For more stains such as gum, paint, candle wax, etc., on carpeting or furniture, after the appropriate application of **DO-IT-ALL** all purpose cleaner (20-1), a nylon brush should be used to help loosen the stain.

BUILD UPS

For heavy wax build-ups, and residues, along with **DO-IT-ALL** all-purpose cleaner (2-1), the non-abrasive cleaning pad is recommended.

SOME SPECIFIC USAGES FOR **DO-IT-ALL** ALL PURPOSE CLEANER:

REMOVE STAINS FROM CARPETING

(**DO-IT-ALL** (20-1) is recommended)

1. Spray solution onto stain or all of carpet, let stand up to 20 seconds.
2. Cover with towel, step on it with a twisting motion to soak up stain.
3. Rub with dry towel, repeat if necessary until stain is removed.

RECREATIONAL EQUIPMENT

Van, mobile homes, campers, tents, sleeping bags and other recreational equipment can benefit from the use of **DO-IT-ALL** for exterior cleaning problems and interior cleaning of carpets, ovens, upholstery and mildew.
